Kurzbeschreibung

How do you save a drowning man when that drowning man is you?

Jake Moore's world fits too tightly around him. Every penny he makes as a welder goes to care for his dying father, an abusive, controlling man who's the only family Jake has left. Because of a promise to his dead mother, Jake resists his desire for other men, but it leaves him consumed by darkness.

It takes all of Dallas Yates's imagination to see the possibilities in the fatigued art deco building on WeHo's outskirts, but what seals the deal is a shy smile from the handsome metal worker across the street. Their friendship deepens while Dallas peels back the hardened layers strangling Jake's soul. It's easy to love the sweet, artistic man hidden behind Jake's shattered exterior, but Dallas knows Jake needs to first learn to love himself.

When Jake's world crumbles, he reaches for Dallas, the man he's learned to lean on. It's only a matter of time before he's left to drift in a life he never wanted to lead and while he wants more, Jake's past haunts him, making him doubt he's worth the love Dallas is so desperate to give him.
