Kurzbeschreibung

An Amazon UK and international bestselling romantic comedy novel by Charlotte Fallowfield.

What do you do when the guy you're in love with is seeing someone else?

That's the dilemma facing Paige Taylor. All of her life she's only ever had eyes for the gorgeous Alec Wright, but despite their undeniable chemistry, their timing has always been off. Fast approaching her thirtieth birthday, Paige despairs of ever finding love and a happy ever after. Her best friend Poppie tells her that she can either watch life pass her by, or grab it with both hands. She convinces Paige to throw herself back into the dating pool, or she could be waiting for Alec forever.

What Paige didn't expect was the catalogue of dating disasters to follow. A neck brace, jelly fish, stitches, flashing and an encounter with a gorilla were some of the most memorable. Despite some downright hilarious, humiliating and cringe worthy dates, her biological clock is ticking and Paige is determined to keep trying until she finds the one. Was Alec Wright always her Mr. Right, or is he still out there waiting to be found?

Join Paige in her quest to find the ultimate prize. Love.

Charlotte Fallowfield's alter-ego, C.J. Fallowfield, is an Amazon #1 international bestselling author of contemporary humorous erotic romantic fiction.
