Kurzbeschreibung

'An outstanding debut which will make you laugh and cry and hold your breath. This is a book that has it all' - K. J. Parker
Clay Cooper and his band were once the best of the best - the meanest, dirtiest, most feared and admired crew of mercenaries this side of the Heartwyld. But their glory days are long past; the mercs have grown apart and grown old, fat, drunk - or a combination of the three. Then a former bandmate turns up at Clay's door with a plea for help: his daughter Rose is trapped in a city besieged by an enemy horde one hundred thousand strong and hungry for blood. Rescuing Rose is the kind of impossible mission that only the very brave or the very stupid would sign up for. It's time to get the band back together for one last tour across the Wyld. **'A fantastic read, a rollicking, page-turning, edge-of-your-seat road-trip of a book'** - John Gwynne
Pressestimmen

"A fantastic read, a **rollicking, page-turning, edge-of-your-seat road-trip** of a book. Great characters, **loveable rogues** that I genuinely cared about and all manner of fantastical monsters. All spiced with a sly sense of humour that had me smiling throughout. Wonderful." *John Gwynne*

"Joe Abercrombie meets Terry Pratchett, and that is not praise I would give lightly." *Fantasy Review Barn*

"A comedy, an adventure tale, a consideration on growing older, and a sendup of fantasy conventions, all at the same time. It also has heart. **In short: it rocks....I finished this book in one night. If I could, I'd see the tour, and buy the t-shirt.** Instead, I'll have to content myself with waiting for the sequel, and reading it again." *B&N SF & Fantasy Blog*

"Brilliant debut novel... Eames has cranked the thrills of epic fantasy up to 11... Moreover, the plot is **emotionally rewarding, original, and hilarious. Eames clearly set out to write something fun to read, and he has succeeded spectacularly.**" *Publishers Weekly (starred review)*

"Absolutely awesome. If the Beatles held a concert tomorrow (with all the necromancy required for that to happen), it still wouldn't be as good a 'getting the band back together' story as this. **Full of heroes, humor, and heart.**" *Jon Hollins*

"The funniest and finest fantasy debut in ages." *Tor.com*

"Nicholas Eames brings **brazen fun and a rock & roll sensibility** to the fantasy genre." *Sebastien de Castell*

"*Kings of the Wyld* took me back to my Dungeons and Dragons days. It has well-crafted characters long past their best but still fighting, **non-stop fantasy action** and welcome touches of humor. **Great reading!**" *Ian Irvine*

"A promising, fast-paced debut that balances classic quest fantasy with modern sensibilities and liberal doses of humor. Huzzah!" *Alex Marshall*

"An outstanding debut which will make you laugh and cry and hold your breath. **This is a book that has it all.**" *K. J. Parker*

"Escapism of my favorite type - noble quests, edge-of-the-seat action, and well-rounded, likeable characters that carve out their own unique definition of "family". If you like your fantasy gritty and your humor dark, then **this is the next book for you.**"? *Forbidden Planet*

"A great deal of fun.... I only have two questions that remain unanswered - (1) **Where do I get my Saga tour t-shirt?** (2) **When does the second book come out?**"? *The Eloquent Page*

"**Will be one of THE books of 2017.** Brilliant, innovative, immersive and just pure fun."? *The Book Plank*

"Eames **strikes the same balance as Pratchett at his best**....Just a super read, a really fresh book, one to savour from start to finish."? *Blue Book Balloon*

"Fantastic...Eames is an author that has the potential to set genre trends with this book. **This book is a breath of fresh air.**"? *Book Worm Blues*

"Eames' debut fantasy tale has it all....**Readers will not be able to put this book down.**"? *Booklist (starred review)* Werbetext

Guardians of the Galaxy meets *Lord of the Rings* in this rousing epic fantasy debut in which a retired group of warriors must get the band back together for one last seemingly impossible mission
